

# IntraRepiderma

Do you want  
antibiotic free hoof  
and skin care?

## INTRA REPIDERMA IS THE TRUSTED SPRAY FOR FARMERS AROUND THE WORLD

Hoof and skin problems in the cattle, pig and sheep industry are one of the main reasons for animals to be culled. To handle this global problem, products that are proven to be supportive and safe are a must.

Intra Repiderma is the protective hoof and dermal spray that gives visible results after the 1st day and is safe to use for the farmer, the animal and the environment.

## 6 REASONS TO CHOOSE INTRA REPIDERMA

- ✓ Micronised powdered organic minerals
- ✓ Patented antibiotic free product
- ✓ Protective layer for the hooves and skin
- ✓ Strong adhesion, for at least 3 days
- ✓ Sprays at every angle, even upside down
- ✓ For hoof, udder cleft, dehorning, navel and skin care

Using Intra Repiderma helps **DECREASE** antimicrobial use

Each bottle contains **80-100** applications

In **3 SECONDS** you spray 950 million micronised powdered organic minerals

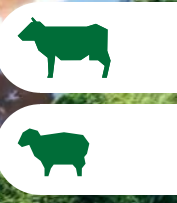

INTRA REPIDERMA SIGNIFICANTLY IMPROVES ANIMAL WELFARE

The **Intra Hoof & Skin Care Programme** includes products to apply individually as well as products for full herd maintenance. This green concept is **farmers' first choice!**
